MEMORANDUM FOR THE RECORD

SUBJECT: Retirement - James W. McCord, Jr.

1. The retirement of Subject, effected as a result of a recommendation from the Head of his Career Service stating that Subject is "not an ideal" for the Agency, and that his retirement was recommended to the Director under the provisions of the Civil Retirement and Disability System pertaining to involuntary retirement, in no way implies an adverse action. Subject is deemed an applicant for retirement of his own volition and is qualified for an immediate retirement annuity. The procedure for such separations was established by the Agency to parallel similar actions under the Civil Service Retirement System in accordance with TPAI Letter No. 831-23, dated 15 December 1968.

2. Any inquiry received concerning the nature of the separation of Subject from the Agency should be confirmed simply as a retirement.

SUMMARY OF AGENCY EMPLOYMENT

JAMES W. MCCORD, JR.

Service with the Central Intelligence Agency began on 22 August 1951 and continued through 31 August 1970. During his career there was a variety of assignments involving investigations, research and report writing, technical and physical security programs and a two year tour overseas.

As an investigator during the first two years of employment, there was wide involvement in a variety of support activities requiring initiative and ingenuity.

During the seven years engaged in research and report writing, there was much independence of action and success depended on initiative, imagination and resourcefulness in pioneering new areas of interest. Beginning in May 1957, managerial responsibilities began with appointment to a Deputy Chief position of a research staff of some six professional and clerical personnel.

When serving overseas, responsibilities were managerial in nature as Chief of a regional staff of some ten professional and clerical personnel providing a full spectrum of security support.

From August 1964 to June 1965 he attended the Air War College as representative of the Agency.

Since 1965 two vital line positions were held involving the Agency's programs in the technical and physical security fields.

In heading up the technical security division, from 1965 to 1968, he had primary supervisory responsibility for some 40 professional and clerical personnel, preparing the budget and programs for the Agency's technical security program, and managing the obligating of authorized funding to assure that approved programs and goals were met. He was instrumental in guiding the development of new approaches, in establishing new training concepts and in bringing the Agency to a position of recognized leadership in this field.

OLONET

Since October 1968, as Chief of a division responsible for the Agency's physical security program he had primary responsibility for the supervision of some 70 professional and clerical personnel, together with the programming, budgeting and implementing of the total physical security program of the Agency. As a result of his technological experience, he developed and implemented physical security programs which produced for the Agency a physical security posture of pre-eminent quality within the US Government.

MEMORANDUM FOR: Mr. John W. Coffey

I want to express my appreciation to you personally and through you to Howard Osborn and the other of your associates who contributed so effectively to the visit of the President on Friday. The arrangements were flawless; the security first-class without being intrusive. I am well aware of the amount of work and planning which went into the successful outcome. I particularly want to commend the good sense and judgment which prevailed throughout. It is easy to push people around. It is difficult to take proper precautions and at the same time make everyone feel as though it were his or her party. Thank you very much. Well done!

MEMORANDUM FOR: DD/PTOS
SUBJECT : Security Support During
President Nixon's Visit

1. I have received numerous and highly complimentary comments from the Director, the Executive Director and the Acting Deputy Director for Support for the role this Office played during the visit of President Nixon to the Agency on 7 March 1969. In addition, Mr. Don Gautreau, the Secret Service Agent responsible for protective measures during the visit, told me that he had never met a more highly professional group of personnel than our Security officers. He was impressed with the comprehensive coverage inherent in our protective measures.

2. Our performance on Friday was smooth, efficient and effective and once more is a tribute to our ability to rise to any occasion. This is possible only because of the quality of the effort put forth by each Security Officer who participated. I am very proud of all of you and I would like to particularly commend Jim McCord, Bill Wilkinson and [] for the work they did in planning our role in the ceremonies. Equally impressive was the performance of Hollis Whitaker and his people in the provision of audio coverage of the event.

3. I would like to have copies of this memorandum placed in the official Personnel File of every individual who participated in making this event such a great success.

Dear Mr. Osborn:

On 8 November 1967, Messrs. James McCord, [redacted] and [redacted] of your agency provided a most interesting and informative briefing on the subject, "Audio Threat by the Communist Block". Included in this presentation was the display of the latest electronic techniques and technical developments in the area of audio threat.

This presentation was most enlightening and proved to be of keen interest to the Agency NCS Representatives, staff members of the Office of the Manager, NCS and selected key personnel of the Defense Communications Agency.

We very much appreciate the availability of the above mentioned personnel and I should like to commend them on their excellent manner of presentation and thorough knowledge of the subject matter.

MEMORANDUM FOR: Mr. James W. McCord, Jr.

THROUGH : Head of ~~SS~~ Career Service

SUBJECT : Notification of Non-eligibility for Designation as a
Participant in the CIA Retirement and Disability System

1. As you may know, we are in the process of reviewing the employment history and current career field of all employees in the Agency to identify those who are eligible for designation as a participant in the new CIA Retirement and Disability System. In this process, the initial review of each case is made by the individual's Career Service. If the Head of his Career Service nominates him for participation in the system, this nomination is reviewed by the CIA Retirement Board which recommends final action to me. However, if the Head of the Career Service advises that the employee does not meet the basic requirements of HR 20-50 for participation, I have accepted this finding without further review by the CIA Retirement Board. This practice has been adopted in the interest of expediting this screening process so that those employees who are eligible to participate in the system may be designated participants as soon as possible.

2. In your case, the Head of your Career Service has advised me that you do not meet the requirements of HR 20-50 for designation as a participant and I have accordingly made the formal determination required by the regulation that you are not eligible for designation. From a review of your record it appears that the decision of your Career Service was based upon the fact that you do not have sufficient time prior to completing 15 years of service with the Agency in which you could complete a minimum of 60 months of qualifying service as required by regulation. My determination that you are not eligible at this time for designation in no way affects your current status under the Civil Service Retirement System, nor does it preclude reconsideration of your eligibility to participate in the CIA System if you should meet the requirements for designation in the future.

3. Should you desire further information concerning the requirements for designation as a participant in the CIA Retirement System, I suggest that you read paragraph c of HR 20-50 and paragraph 5 of the Employee Bulletin dated 30 July 1965, entitled "Public Law 88-643, The Central Intelligence Agency Retirement Act of 1964 for Certain Employees."

4. It is always possible that the records upon which the determination made in your case may have been incomplete or inaccurate regarding your actual employment history with the Agency. If, after studying the materials cited above, you have questions regarding the determination that you are not eligible to participate in the CIA Retirement System, please feel free to contact officials of your Career Service. They are familiar with the details of your case and will gladly discuss them with you. In addition, you may wish to discuss your case with the CIA Retirement Staff located in Room 6E-1319 Headquarters (extension 0001). If such discussions do not resolve any questions you have regarding your eligibility, you may request that your case be formally considered by the Board. However, this request must be made within 30 days of the date of this memorandum.

Dear Mr. Ragan:

Reference is made to your letter dated June 4, 1951.

At the present time I am in the position of finding it necessary in the very near future to make several decisions of considerable financial importance to me. Should your organization be in a position to indicate whether favorable consideration has been given my application, or to indicate by what date you may be in a position to make a decision in that regard, such information would be of very great help to me at this time. As you have been advised earlier, I am interested in the C.I. as a career, am willing to accept an assignment either overseas or in this country at your discretion, and at the starting salary you believe appropriate with my past experience.

Any assistance you can furnish concerning the above request will be indeed appreciated.

Sincerely yours

James Walter McCard Jr

Dear Mr. McGord:

It is the practice of the Organization to follow up with former employees six months after their retirement. We hope by such inquiry to obtain information on what our retirees are doing and where they are located, invite suggestions for improving the retirement program and to learn if the Organization might be of some assistance on any post-retirement matters.

We should like very much to hear from you on the above points and on any other topics you think would be useful to us.

For your convenience in replying, we have enclosed a sheet somewhat akin to a form on which we have listed those standard items of information we'd like to have on every retiree. The remainder of the sheet, including the reverse side, is for your comments and suggestions. We shall be most appreciative of your fullest response to this inquiry.

Thank you very much for your cooperation.

Sincerely yours,

Personnel Officer
